

Procedure – Vessels under arrest

In order to ensure that arrest notices are acted upon without delay, notification should be provided to the Pacific Pilotage Authority as follows:

1. Notices of vessels under arrest must be sent via e-mail at arrest@ppa.gc.ca. This will trigger an immediate notification to our operations team as well as our Dispatch department.
2. Notices may also be faxed to 604-666-1647 however the e-mail notification will ensure prompt attention during non-business hours.
3. All notices must include a copy of the associated Warrant.

For any questions regarding the above, please contact the PPA's Executive Assistant at 604-666-8575.
